

as a resident of this state,i support having a DO NOT CALL list. i am a private citizen and i believe that my phone is for MY private use, after all,it is i that pays the phone bill each and every month. i also believe that i should have the right to decide if i want to block these calls. as i see it, it is an invasion of my privacy. so i am asking you to UPHOLD MY RIGHT to have a DO NOT CALL list.

thank you for your time
